C/F	Negotiating Skills		Leicester University		
	Measuring Impact		tbc		

What did you find most useful about the event?	What key messages were you able to take back to your colleagues?	How could the event have been improved?	Suggested future topics...
experiences with managing reading lists (or not)	That there are a multitude of approaches to managing reading lists	I was happy with the event	Academic engagement
collaboration. And the emphasis on flexible spaces and the way	flexibility of the spaces to cater for their needs	Maybe embed a little more time for networking!	libraries/librarians are working with academics to
different communities	the library as a hub/neutral meeting ground. Library = Where all are	More time for questions.	fear in today's technologically led environment. How to
awareness of Warwick's Library services	opportunities to engage with students in different ways	I was happy with all aspects of the event	very useful
Hearing about different ideas for student / staff engagement	focus on student wellbeing and 'community'	It would be useful to be sent the presentations	dealing with challenges to academic library sector
library and networking with staff from around the region	students to read academically are key	time to see different rooms and facilities, like	considered when arriving at the way the spaces look
how they use reading lists	Keeping an open mind and to try new and innovative ideas	More time or split into more than one event.	offering some excellent topics at the moment.
Teaching strategies to engage students with reading	as inclusive as possible, both in terms of disabilities, preferences	Nothing to add.	through social media, websites, posters and leaflets.
Library uses to engage the community of students	Plenty - how others are managing reading lists, and teaching ideas	Provision of the slides from the talks please?	media
useful yardstick to see where we, as an institution, sit in terms of	need to do more work to encourage staff enagagement. It was good		
seeing the similarities.	will be directly implemented in our own working practices		

	Ranking			
	1 Poor	2	3	4 Excellent
Event as a whole			37	125
Content and level of the event			42	120
Delivery methods used		2	51	126
Venue		3	32	127
Refreshments		7	57	97
Administration of the event		1	31	130
Accuracy of publicity		3	32	114
Extent to which expectations met			35	127

Evaluation of events

What was most useful about the event?	Total	
session content	109	
learning from others/sharing experiences	40	
Tour	18

How could the event be improved? Least helpful aspects			
give choice of discussion topic rather than allocate			
more time x18 (one suggested 10.30 to 4pm instead of 11am to 3pm)			
include group discussion (ASBD)			
more time for discussionx5			
provide lunch 3 (make a charge if necessary x1)			
provide a list of delegates so we can network afterwards x2			
provide notes pages for powerpoint presentations x 4			
include students in presentations to give their feedback on the initiatives discussed			
maybe an extra presenter session			
encourage attendees to move around between sessions to be able to speak to more people			
send programme beforehand			
temporary passes to move between buidlings			

What will you do differently/key messages from the session		
consider colour coding classmarks		
make social media relevant to courses		
adapt the escape room idea		
one of the best sessions attended (I will encourage others to attend future events)		
welcome back videos and other Y2 resources		
seek more student feedback		
develop the action plan		
Review signage x6		
Review roving x5		
Library wide group for social responsibility		
look to develop Enhance your Learning project		
explore using Soprano on iPad		
colour code study zones		

Suggestions for future events
physical Library spaces - better design, how to adapt existing buildings.
managing space
collection management
collaborating with other university departments
dealing with difficult behaviour/dusruptive behaviour (mental health)
roving experience
supporting research students
What Y3 want
Facke news/info literature
GDPR
wellbeing
how can non-managers influence change
Staff well-being event
Library fines and Library management systems
