

Let's talk about SEG!

The importance of a Staff Engagement Group.

Presented by Jess Mercuriadi, chair of SEG at the University of Warwick Library

Activity

Use the post-it notes in front of you to note down:

- What would make you happier in your work environment?
- What would boost your confidence?
- What do you think your place of work can do to create more networking opportunities between teams?

Use as many post-it notes as you like!
